

THE RIGHT CHOICE

All of us that live in Lawrence County have been fortunate to have had very good representation in Pierre for many years. Legislators like Tim Johns, Bob Ewing, Fred Romkema, Kay Jorgensen, Jerry Appa, Harvey Krautchen, Jim Hood and many others.

We now have an opportunity to send another quality person to Pierre to represent all of the people in District 31 with integrity, wisdom, and common sense.

Randy Deibert has spent most of his life living and working in Lawrence County. He is a proven Conservative who will do his best to represent all of us. His years on the Lawrence County Commission have shown that he will work hard, listen to his constituents, and represent the people of Lawrence County with integrity, grit, and good old common sense.

Please vote for Randy Deibert for the South Dakota State Senate.

Sincerely,

Daryl Johnson
12 year member of the Lawrence County Commission
